

NOW HIRING

Water Utilities Worker

Join Our Team!

The Water & Sewer Department is accepting applications for a Water Utilities Worker. This position performs a variety of duties related to the operation, maintenance, and repair of water distribution and wastewater collection systems.

Minimum Qualifications

- Valid driver's license with a satisfactory driving record.
- Ability to perform strenuous physical labor in all weather conditions.
- Ability to lift up to 75 pounds and perform bending, climbing, digging, and working in confined spaces.
- Must be dependable, safety-conscious, and able to work independently and as part of a team.
- Ability to work nights, weekends, holidays, and emergency call-outs as needed.
- Willingness to obtain required state certifications (or possess them at the time of hire, if applicable).
- Basic mechanical aptitude and the ability to operate hand and power tools.
- High school diploma or equivalent preferred.

Typical Duties

- Repair and maintain water and sewer lines.
- Assist with water main breaks, sewer backups, and emergency repairs.
- Read meters and assist with installations and maintenance.
- Operate equipment, vehicles, pumps, and other utility tools.
- Perform routine maintenance, inspections, and system repairs.
- Maintain accurate work records and follow all safety procedures.

Benefits

Competitive pay • Retirement benefits • Health insurance • Paid holidays • Vacation and sick leave • Training opportunities

How to Apply

Submit a completed employment application and resume to the Water & Sewer District office.

Applications will be accepted until the position is filled.
